Solid Snake

Real Name: unknown

Sex: male

Age: 30s

Nation of Origin: USA

Height: 182 cm

A former FOXHOUND operator, Snake possesses an IQ of 180 and speaks six languages fluently. He is also known as "the Legendary Mercenary" after several successful missions including the Outer Heaven Uprising and the Zanzibar Land Disturbance. Snake has lived a solitary life in Alaska since his departure from FOXHOUND, but he is called upon once again; Colonel Campbell summons Snake back from a life of solitude to infiltrate Shadow Moses Island.

Meryl Silverburgh

Real Name:
Meryl Silverburgh

Sex: female

Age: late teens

Nation of Origin: USA

Height: 175 cm

Meryl is Colonel Campbell's niece. Born into a household of military tradition, she has trained herself since childhood to become a skilled soldier. Meryl was assigned to Shadow Moses Island as a recruit. Unfortunately, she was dragged into a terrorist attack her first day on the job, but she soon joins forces with Snake to help fight against the terrorists. Just like any other recruit, Meryl has no combat experience, but do not underestimate her strength, as she wields her Desert Eagle with one hand.

FINGERPRINT

Hal Emmerich

Real Name: Hal Emmerich

Sex: male

Age: 30s

Nation of Origin: USA

Height: 177 cm

An engineer at ArmsTech Company, Hal wears a white lab coat and glasses and is known for his friendly nature. He is taken captive during the terrorist attack at Shadow Moses Island. Hal is a fan of anime (Japanese animation) and his nickname "Otacon" is derived from the Otaku Convention, an event for fans of Japanese animation in the US, which he attends regularly. His grandfather, who was also a scientist, worked on the Manhattan Project. Hal was told by his grandfather of the agony of having his creation being used as a weapon.

GENIUS LOCI SALAMANDER W.S.UNDINE

Roy Campbell

Real Name: Roy Campbell
Sex: male
Age: 60s
Nation of Origin: USA
Height: 185 cm

A former commander of FOXHOUND. Campbell has been called back to duty from retirement because of his connection to Solid Snake, the only soldier who can neutralize the terrorist attack. Before he joined the former FOXHOUND, he served in the US Marine Corps, Green Berets, and Delta Force. In FOXHOUND, he was assigned to XO (executive officer) of the unit because of his strong strategic planning capabilities, backed up by his experience. After the death of Big Boss, he discarded the code name system in the unit and formed the new FOXHOUND, making full use of various high-tech equipment including reconnaissance satellites. Even to this day, as a civilian, he shows up in military uniform wearing a beret.

Naomi Hunter

Real Name: Naomi Hunter
Sex: female
Age: 20s
Nation of Origin: USA
Height: 165 cm

The medical chief of FOXHOUND, specifically in charge of gene therapy and gene strengthening. Her colleagues affectionately call her "Doctor Naomi."

Mei Ling

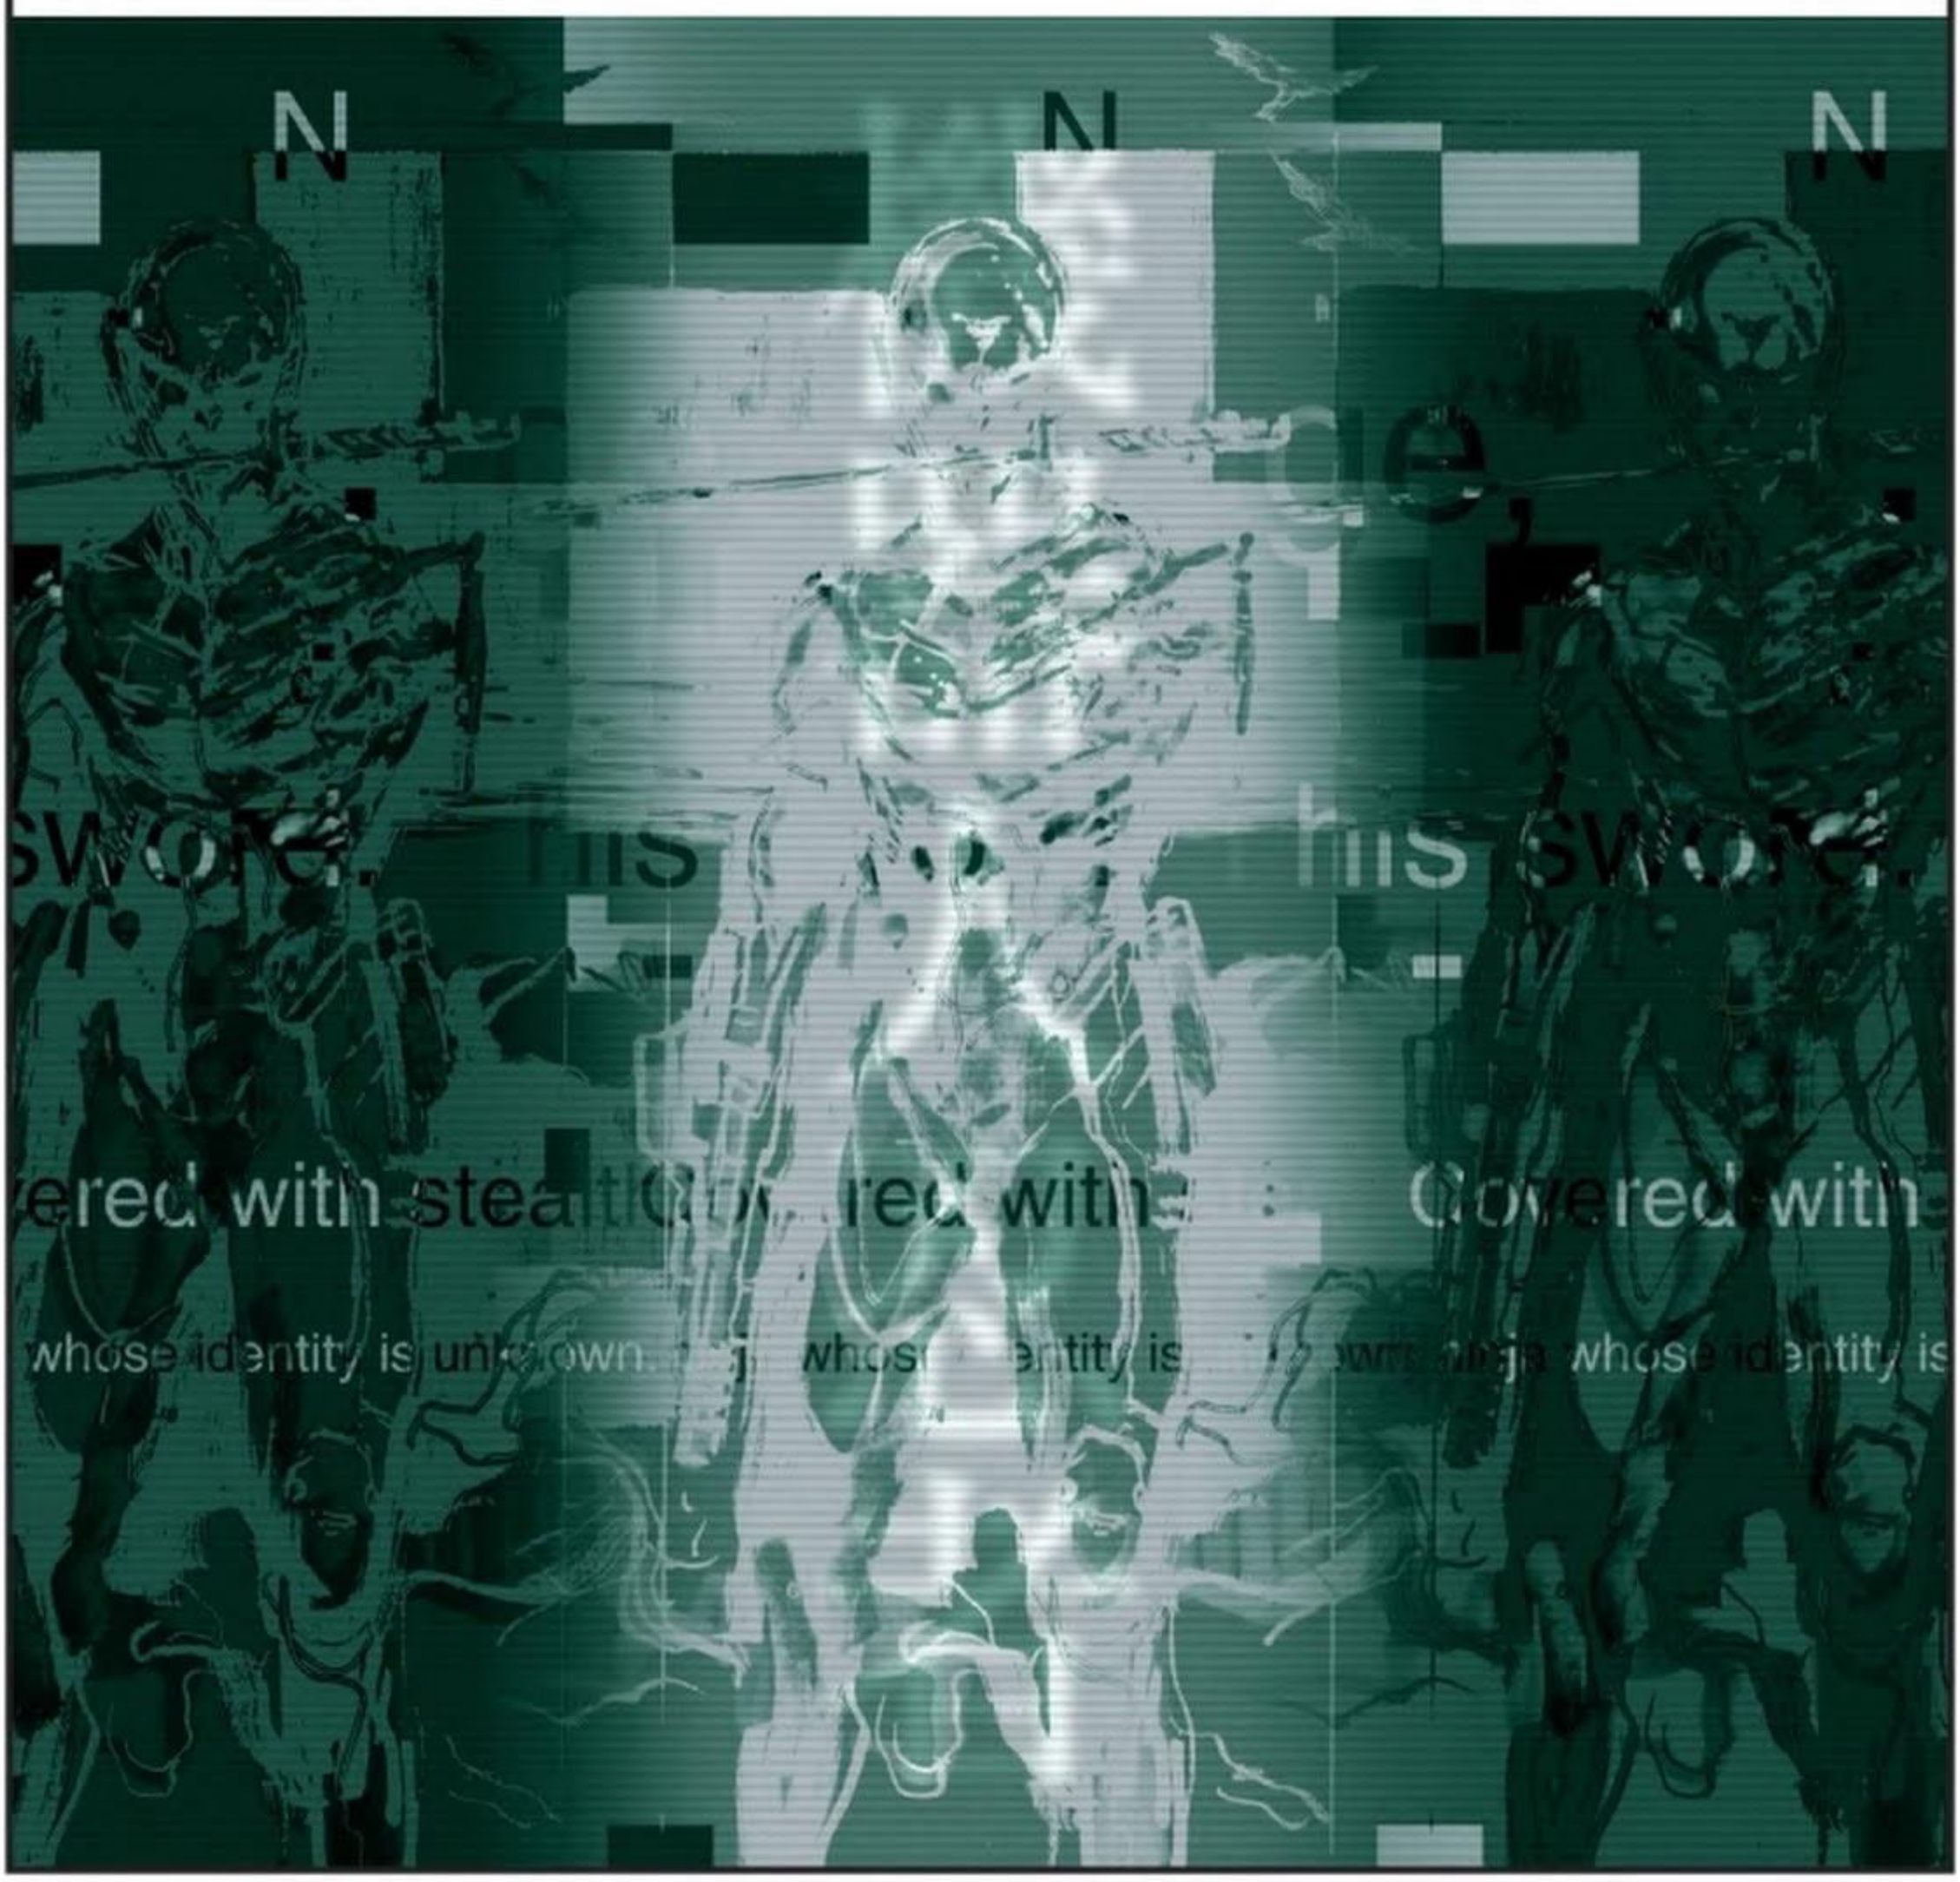
Real Name: Mei Ling
Sex: female
Age: teens
Nation of Origin: USA
Height: 160 cm

Mei is in charge of communication data processing in this operation. She is a Chinese national born in the US and is currently attending MIT. She specializes in image and data processing operations for spy satellites. She is also accredited for making the new communication equipment and radar utilized by Snake in this mission.

Cyborg Ninja

Real Name: unknown
Sex: male
Age: unknown
Nation of Origin: unknown
Height: 181 cm

Identity unknown. He is covered in stealth camouflage and his blade is known to be able to cut through steel and bullets.



Nastasha Romanenko

Real Name:
Nastasha Romanenko
Sex: female
Age: 30s
Nation of Origin: Russia
Height: 171 cm

As a military analyst in the group, Nastasha supports Snake via Codec with all information pertaining to firearms and nuclear weapons. She served in the DIA (Defense Intelligence Agency) and NSA (National Security Agency), but the end of the Cold War brought her career in the government to an end. Since then, she has become a freelance analyst living in Los Angeles. She also lived near Chernobyl at the time of the accident and still suffers from the radiation effects.

Master Miller

Real Name:
McDonell Miller
Sex: male
Age: 50s
Nation of Origin: USA
Height: 183 cm

McDonell Miller is a third-generation AJA (American of Japanese ancestry). He served in the SAS, Green Berets, Marine Corps, and FOXHOUND as the master of survival training. During his time in the armed forces, he was known as a hardhearted force. He now resides somewhere in the Alaskan wilderness.

Kenneth Baker

Real Name:
Kenneth Baker
Sex: male
Age: 60s
Nation of Origin: USA
Height: 168 cm

Baker is president of ArmsTech, the leading company in the military industry. He has put much effort into the development of Metal Gear to survive in the stagnant military industry. Baker was able to break free from torture at the hands of FOXHOUND member Revolver Ocelot when Snake returned for his rescue.

Donald Anderson

Real Name:
Donald Anderson
Sex: male
Age: 50s
Nation of Origin: USA
Height: 185 cm

The chief of DARPA (Defense Advanced Research Projects Agency). Anderson is also an advocate of nuclear retaliation theory. Having a close relationship with the president of ArmsTech, he was able to secretly advance the development of Metal Gear as a black project. He is the guardian of PAL—a cipher for disarming the detonation code for nuclear warheads. He was held hostage during the terrorist attack, but was saved by Snake.

Jim Houseman

Real Name: Jim Houseman
Sex: male
Age: 70s
Nation of Origin: USA
Height: 179 cm

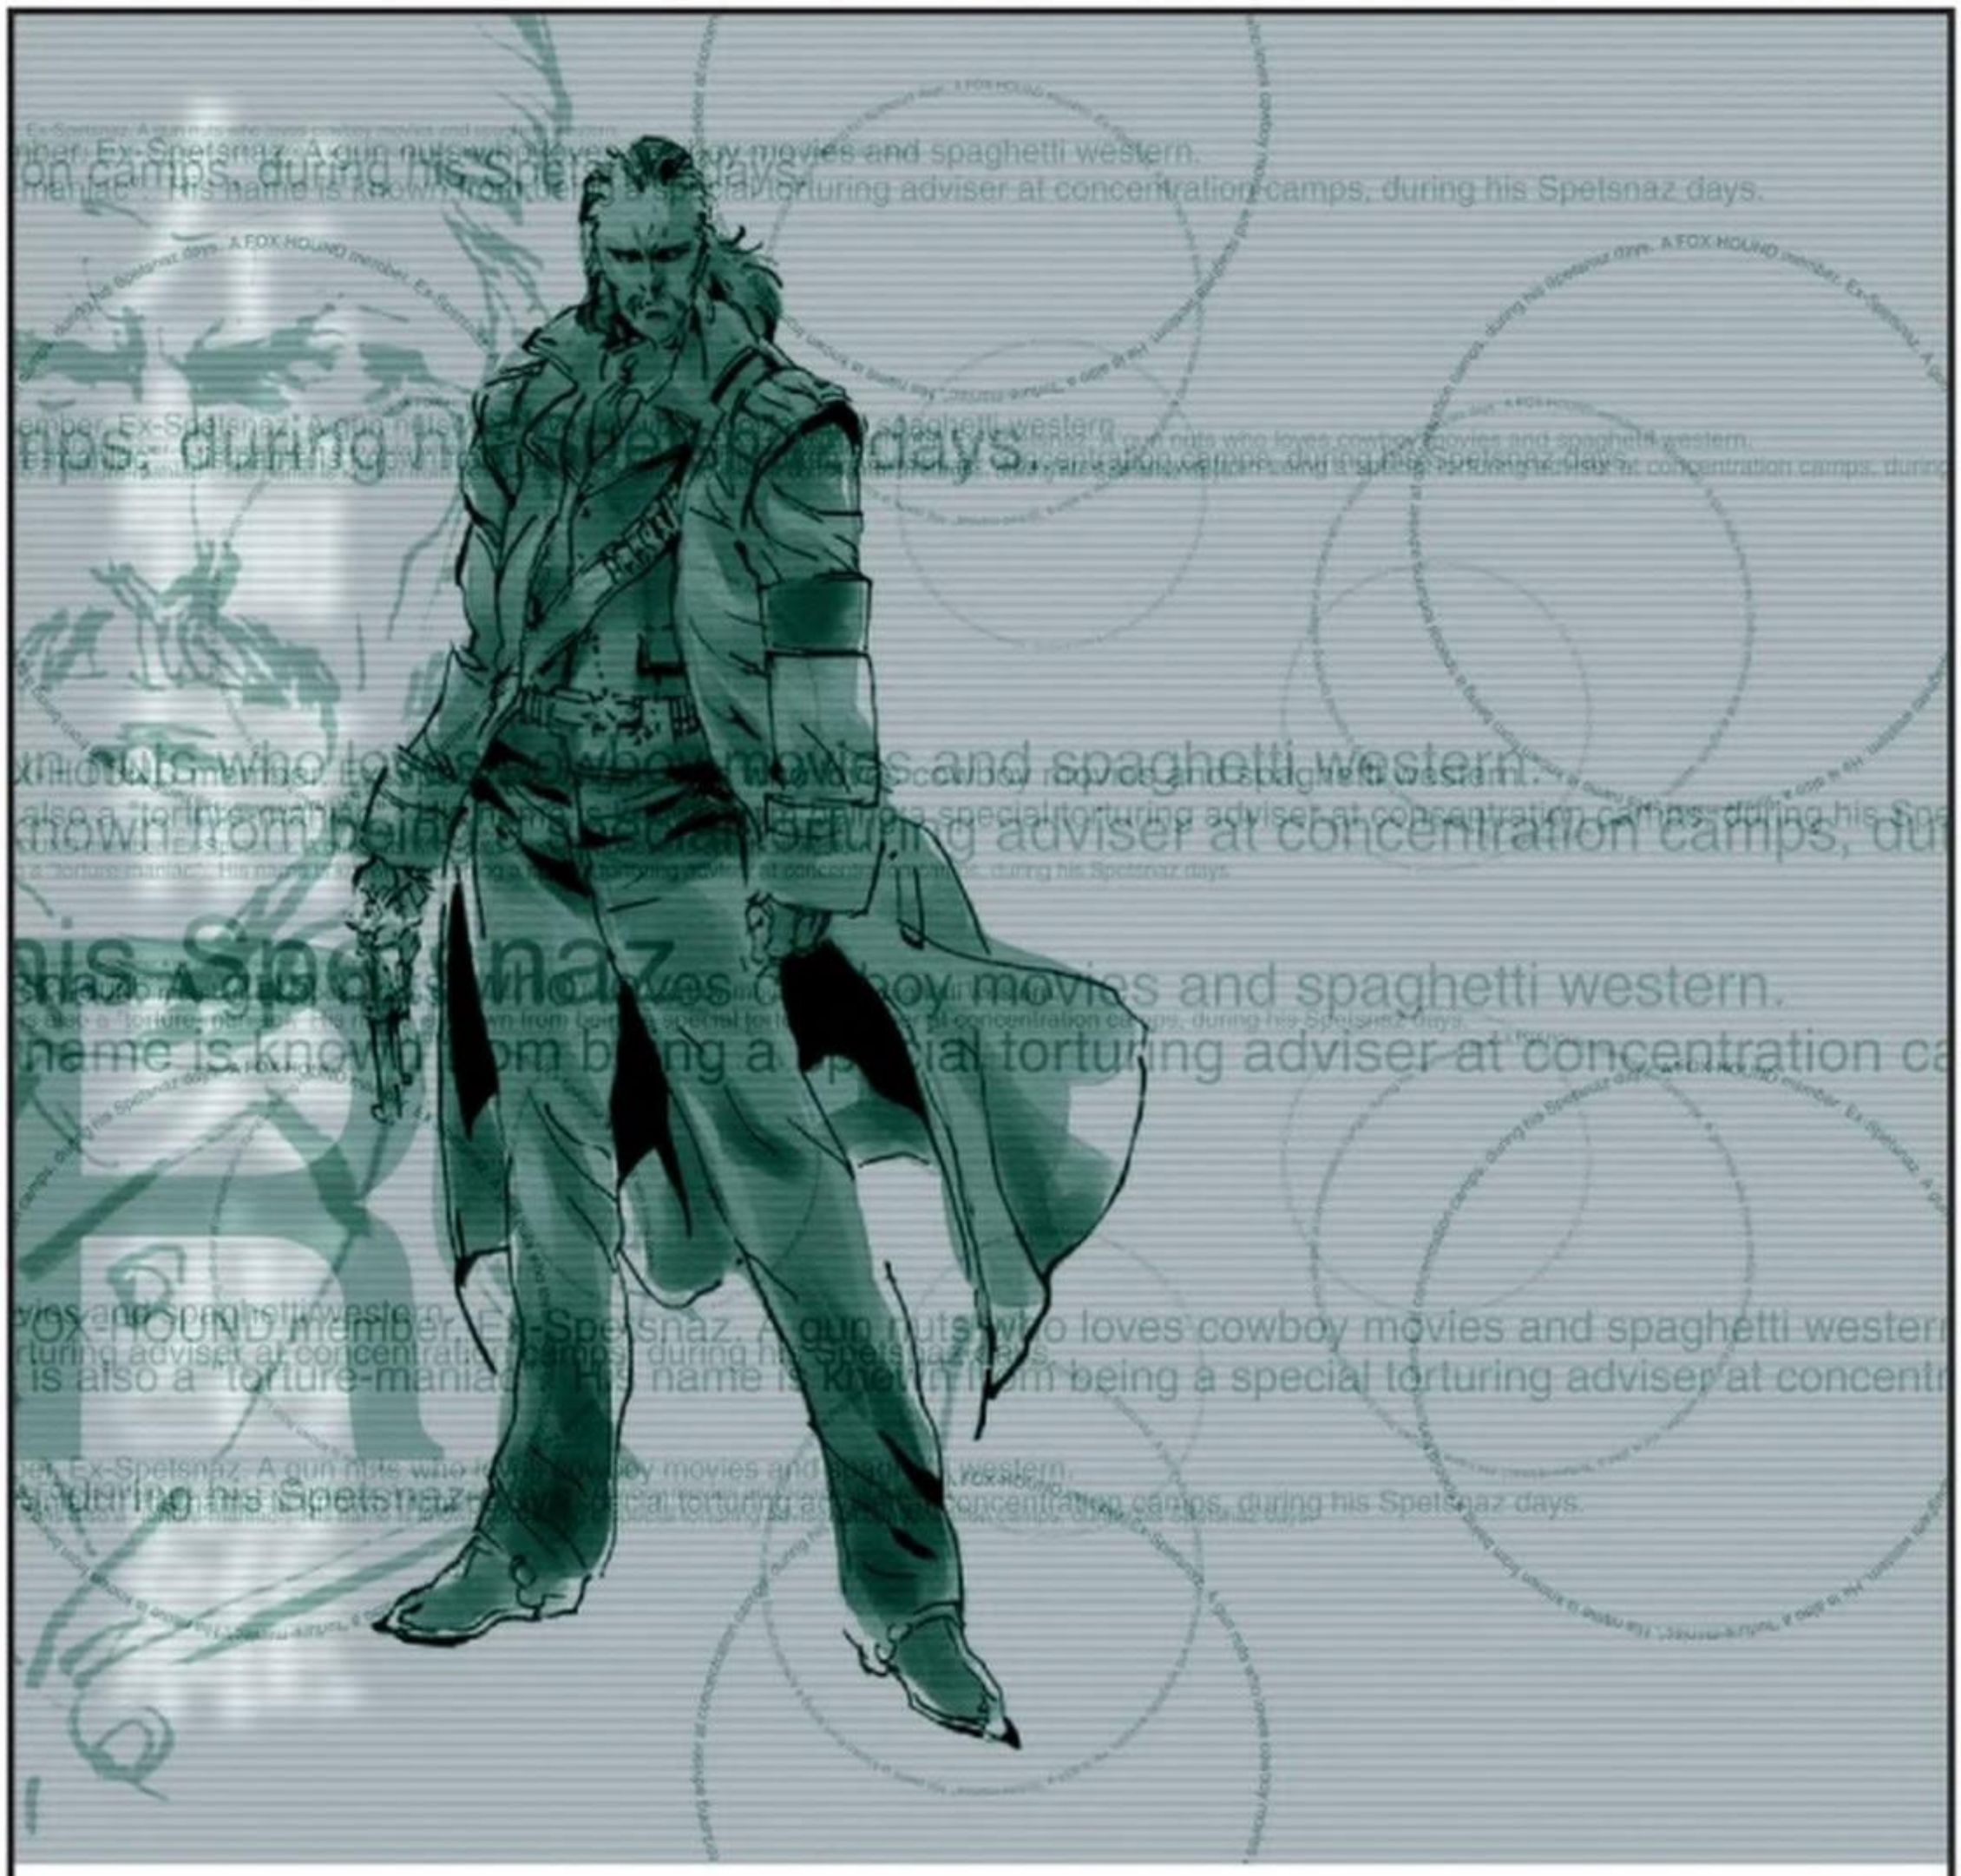
SPECIAL FORCE GROUP FOX-HOUND

Big Boss

real name: unknown
sex: male
age: died in his 70s
nationality: USA (assumed)
height: 192 cm

Ex-FOX-HOUND commander. Fought as a mercenary around the world in 70's. Restected by people as the mythological "Great Soldier". In 90's, he was appointed as a commander of hi-tec unconventional warfare force, FOX-HOUND. By the ample funds and connections from his mercenary days, he build an independent militarized nation, "OUTER HEAVEN" but it was destroyed by Solid Snake. After escaping to Central Asia, he again build a fortress "ZANZIBAR", but again Solid Snake frustrated his ambition.



Revolver Ocelot

Real Name: unknown

Sex: male

Age: 50s

Nation of Origin: Russia

Height: 182 cm

A FOXHOUND member and former Spetsnaz. Ocelot is a gun fanatic who loves cowboy movies and spaghetti westerns. He is also known as the special torture consultant at concentration camps dating back to his Spetsnaz tenure. To this day, he is still referred to as a "torture maniac."

Sniper Wolf

Real Name: unknown

Sex: female

Age: 20s

Nation of Origin: Iraq

Height: 176 cm

A FOXHOUND member. Well known to be a genius at sniping, Wolf demonstrates incredible patience by keeping aim at her target for days, even a week, without eating or drinking. She is of Kurdish descent, and takes care of the wolf dogs that reside at the FOXHOUND base. She seems to see something in the wolf dogs (a mix of a wolf and husky) that reminds her of herself. She treats Otacon sincerely because he happens to be a dog lover as well.

I filmed the model with scratched texture with a 8 mm camera and displayed it on the TV monitor. Then I also took pictures with a digital camera to add effects with my Mac.
This was like what modeling magazines used to do in the past. I always wanted to try doing this myself.

Intruder

Following the incident on Shadow Moses Island, Metal Gear's top-secret technology was leaked into the black market through the machinations of Revolver Ocelot. As a result, countless variations of Metal Gear have sprung up in every corner of the globe, making the weapon an increasingly common sight in the armed forces of nuclear powers. In the midst of all this, Solid Snake, now a member of the anti-Metal Gear group "Philanthropy", has learned that a new prototype Metal Gear has been developed by the U.S. Marines and is being transported secretly. To find out more about this prototype, getting support via the Codec from Otacon who is also a member of "Philanthropy," Snake must infiltrate the transport as it makes its way down the Hudson River, New York, disguised as a tanker. However, just as Snake is about to begin his mission, the tanker is seized by a mysterious armed group.

Duty

Two years have passed since the sinking of the tanker that Snake infiltrated. The "Big Shell" - a huge offshore cleanup facility constructed off New York's coast. Now, this symbol of environmental preservation, has been occupied by an armed group calling themselves "Sons of Liberty." The President, who was on a tour to inspect the facility at the time, has been taken hostage, and they have set large amounts of explosives, demanding a large sum of money from the government in return for his release. If the explosives are detonated, the explosions will lead to the release of huge amounts of chemical toxins into the sea, unleashing a massive environmental disaster which would be the worst in history. Faced with an unprecedented state of crisis, the government has called on the newly reformed FOXHOUND to handle the situation. FOXHOUND agent Raiden must single-handedly infiltrate the "Big Shell" and carry out this sneaking mission as his first actual mission.

Former member of the CIA special forces unit FOX. An expert in combat and stealth infiltration, Snake is a legendary hero who once rescued the world from the brink of all-out nuclear war. Snake holds the title of "Big Boss" for eliminating the Boss—a legendary woman known in intelligence circles as the mother of the world's modern special forces. Residing in Colombia, South America, he now leads his own mercenary group with Kazuhira Miller as XO.

Paz Ortega Andrade

A young, peace-loving Costa Rican girl. She is a pupil of Professor Gálvez, studying her country's peace constitution at the nascent University for Peace. She was kidnapped by a mysterious armed group that has begun to spread throughout Costa Rica. Together with Gálvez, she has come to seek Snake's help in removing the invaders from her country. The name "Paz" means "peace" in Spanish.

Paz Ortega Andrade

A French ornithologist. She came to Costa Rica to research Central American bird populations, but got lost among some mysterious ruins and was taken captive by persons unknown.

Cécile Cosima Caminades

The CIA's station chief in Central America. A former agent regarded as a hero back at the height of the Cold War. He is at the helm of the mysterious project known as the "Peace Walker Project."
